

God's Blessing

Your Commitment = God's Blessing

Many families have experienced God's blessing after making a commitment to Christian education. Here are a few of the testimonies of how families were blessed by God after committing to LAMS.

"The older our children get the more I realize how short our time of influence with them truly is. I do not regret the sacrifices it takes to have our children at LAMS. If God is placing the desire on your heart to have your children attend LAMS, He will provide!"

~Current Patron with 4 children ~

"Every year, somehow, it never works out on paper, God has filled enough money into our bank account (with our careful saving) to send the children to LAMS. "

~ Current Patron with 2 students ~

"We didn't think we would be able to make it work out this past year, but God did! He really surprised us and met us right where we were at when we were least expecting it and needed it the most."

~ Current Patron with 3 children ~

"Every year I shop at the 'Used uniform sale' that LAMS has in spring and save lots of money by buying used uniforms for my kids."

Your Commitment

As the Puritan theologian Charles Bridges wrote in his commentary on Proverbs, "The religious training must not be the border of the garment, which might easily be cut off. It must be the pervading substance throughout."

Christian education serves to purposefully weave God, his Word, and His character into the whole educational process. God is not tacked onto the curriculum. We strive to help our students find God in every area of their lives.

Christian education is a commitment. Families choose to realign their lifestyle in order to put their child's educational needs first. It may be necessary to think of a variety of ways to help fund the cost of Christian schooling. Some patrons have even decided to take on extra hours at work or even a part-time job to make the family budget work. In addition to your own resources, why not also look at the Christian community you are a part of? Consider family support as well as church support to help offset tuition costs. Above all else, consider doing what the Lord asks us to do in Luke 11:10:

For everyone who asks receives, and he who seeks finds, and to him who knocks it will be opened.

Our Support

For years, perhaps even decades, parents have thought and assumed that Christian Education is out of the financial realm for their family. This year at LAMS we want to shatter that thinking! We believe in the power of Christian education to impact young lives for Christ. We want to invite every family who is dedicated to Christian education and believes in LAMS mission, to join our community! Your family's scholarship will be determined on an individual basis. Prayerfully consider if you want to make LAMS your educational partner, then take a step of faith and see what God will do.

LAMS realizes that tuition costs can be difficult for families with limited finances. We therefore offer scholarship assistance. LAMS is very grateful for the generosity of many community businesses in supporting these scholarship funds and designating them to LAMS through the Commonwealth's EITC (Education Improvement Tax Credit) program. For the 2021-2022 school year LAMS has been blessed to be able to distribute over \$200,000 in tuition assistance!

FACTS Grant & Aid Assessment will be conducting the financial need analysis for LAMS. Families applying for financial aid will need to complete an application and submit the necessary supporting documentation to FACTS Grant & Aid Assessment. Applicants can apply online by clicking the FACTS link at our website www.lams.info.
